### ISSUING AUTHORITIES

- European Securities and Markets Authority (ESMA)
- Financial Conduct Authority (FCA)
- Global Legal Entity Identifier Foundation (LEI)
- Supervised in compliance with EU financial legislation for transparency, market efficiency, and investor protection.

This document serves as formal confirmation that Focused Stock Company (FSC) has been authorized to perform brokerage activities. The license is issued in compliance with the regulatory frameworks of the European Securities and Markets Authority (ESMA), the Financial Conduct Authority (FCA), and Global Legal Entity Identifier Foundation (LEI). The issuance of this license demonstrates Focused Stock Company (FSC) adherence to strict regulatory standards across multiple jurisdictions, ensuring the highest level of transparency, integrity, and operational competence.

### AUTHORIZED SERVICES

Focused Stock Company (FSC) is authorized to provide the following services:

1. Brokerage Services: Execution of securities trading on behalf of clients, ensuring alignment with investor protection standards.
2. Dealer Activities: Purchase and sale of securities in the company's own name, in compliance with market conduct regulations.
3. Asset Management Services: Professional management of client investments, optimizing returns while adhering to risk management guidelines.
4. Investment Advisory Services: Offering expert financial and investment advice tailored to individual client needs.

These services are conducted under the supervision of the issuing regulatory bodies to ensure compliance with market integrity and consumer protection requirements.

### ADDITIONAL PROVISIONS

- WF Digital Economy must adhere to periodic reporting obligations, as mandated by **ESMA**, **FCA**, and **LEI**, to ensure transparency and regulatory compliance.
- The company is required to maintain robust internal controls, risk management protocols, and customer protection mechanisms.
- Non-compliance with the regulatory framework may result in suspension or revocation of the license.
